

\$PURK White Paper

Abstract

\$PURK is a community-driven Solana memecoin built around conviction, resilience, and long-term culture. In a market dominated by short-lived hype cycles, \$PURK emphasizes transparency, narrative strength, and organic execution.

Introduction

\$PURK represents a cultural shift in memecoins—prioritizing community, realism, and trust over empty promises.

The Purple Wojak Narrative

Purple Wojak symbolizes calm conviction through volatility, representing everyday traders who build through uncertainty rather than fear it.

Token Overview

Token: PURK

Blockchain: Solana

Standard: SPL

Launch: Fair Launch

Liquidity: Locked

Mint Authority: Revoked

Tokenomics

Fixed supply with no team mint, no private sale, and incremental supply locks funded via buybacks.

Liquidity & Market Integrity

No taxes, no transfer restrictions, no blacklist functions. Organic price discovery only.

Community First

Growth is driven by transparency, organic engagement, community artwork, and global expansion.

Roadmap

Phase I: Foundation

Phase II: Expansion

Phase III: Cultural Scaling

Risk Disclosure

Cryptocurrency is volatile. \$PURK is not financial advice or a security.

Conclusion

\$PURK is culture over chaos. Conviction over fear. Community over hype.

Stay Purple.
